**Director's Report as of March 31, 2024****REPORT**

**Dear Shareholders,**

We are pleased to present the financial statements of the Bank for the first quarter ended March 31, 2024.

**Economic Review:**

Global economic activity showed signs of improvement in early 2024, driven by resilience in the U.S. and select Asian economies, boosting investor optimism. Despite shipping disruptions in the Suez and Panama Canals, manufacturing supply chains remained largely unaffected, with slight improvements in delivery times by February. Brent crude oil prices rose to \$87 per barrel by March-end, supported by strong global demand and OPEC+ supply constraints. Amid these developments, central banks worldwide maintained high interest rates.

Pakistan's economy started the year on a positive trajectory, with key macroeconomic indicators showing improvement. The State Bank of Pakistan (SBP) projects GDP growth between 2% and 3% for FY 2023-24. Despite economic challenges, the SBP kept the policy rate at 22% in Q1 2024, ensuring macroeconomic stability while focusing on growth in IT, mining, SMEs, tourism, exports, and agriculture.

The Large-Scale Manufacturing (LSM) sector recorded 1.8% year-on-year (YoY) growth in January 2024, a significant turnaround from the 5.6% contraction in January 2023. Between July and January FY 2024, 12 out of 22 industries, including food, beverages, pharmaceuticals, petroleum, and machinery, posted positive growth.

Exports in March 2024 increased by 8.43% YoY to \$2.57 billion, while imports rose to \$4.87 billion in Q1 2024, reflecting a 27.82% YoY increase. Consequently, the trade deficit from July 2023 to March 2024 narrowed to \$17.14 billion, compared to \$22.68 billion in the same period last year.

Workers' remittances surged to \$2.95 billion in March 2024 from \$2.25 billion in February. In Q1 2024, remittances reached \$7.6 billion, marking an 8.86% YoY growth. The current account posted a \$54 million surplus in Q1 2024, compared to a \$207 million deficit in Q1 2023. Total liquid foreign exchange reserves stood at \$13.4 billion, with SBP's net reserves at \$8 billion, up from \$9.2 billion and \$4.2 billion, respectively, in 2023. The PKR appreciated by 1.4% in Q1 2024, closing at 277.94 per USD as of March 31, 2024.

Inflation eased to 20.7% in March 2024 from 35.4% in March 2023, with Q1 2024 averaging 23.83% inflation, down from 31.5% in Q1 2023. The decline was primarily due to a high base effect and a stabilized exchange rate, with expectations of a further slowdown in inflation.

**"Say No to Corruption"**

Foreign Direct Investment (FDI) during July–February FY 2024 totaled \$820 million, marking a 17% decline YoY.

The Pakistan Stock Exchange (PSX) closed Q1 2024 at 67,005 points, up from 62,451 at the end of December 2023, with a market capitalization of PKR 9,445 billion.

#### **Financial Performance:**

In the first quarter of 2024, the Bank reported a loss after tax of Rs. 3.24 billion compared to Rs. 1.50 billion in the same period last year. During this time, total deposits declined by Rs. 6.73 billion, closing at Rs. 147.53 billion, while gross advances decreased by Rs. 1.10 billion, including a Rs. 1.17 billion decline in the current accounts portfolio.

Summarized financial performance of Silkbank Limited for the first quarter ended March 31, 2024, is as follows:

	Rs in 'million'
<b>Loss before tax</b>	<b>(5,192)</b>
<b>Tax – Current</b>	<b>-</b>
Prior	76
Deferred	(2,025)
<b>Loss after tax</b>	<b>(3,243)</b>
	Rupee
<b>Loss per share – Basic</b>	<b>(0.36)</b>
<b>Loss per share – Diluted</b>	<b>(0.36)</b>

The decline in net profitability is mainly driven by a further deterioration in Net interest income (NII) by Rs. 2.42 billion, a reduction of Rs. 347 million in non-markup income, and an increase of Rs. 101 million in certain operating expenses,

During the first quarter, NII further decline by Rs. 2.42 billion, primarily due to a significant increase in the Bank's non-earning assets, the deployment of higher-cost deposits, and a reduction in the high-yield consumer lending portfolio due to certain statutory restrictions. Additionally, higher discounts rates in first quarter of 2024, compared to the same period last year, further contributed to reduced margins.

The decline in non-markup income is mainly attributed to a reduction in foreign exchange earnings and fee income from the consumer business.

Meanwhile, operating expenses have increased mainly due to higher staff remuneration, legal costs and communication costs.

#### **Business Performance:**

##### **Branch Banking**

Branch Banking served over 269,372 customers contributing almost 81% of the Bank's deposit base. Total deposit as of 31st March 2024 stood at approximately Rs. 119.20 billion. The total

UBL has disclosed this material information to the Pakistan Stock Exchange Limited ("PSX"), confirming the submission of an offer regarding a possible merger. Accordingly, the Bank also disseminated its material information to the PSX on November 1, 2024.

Following this, the Board of Directors of Silkbank, in its meeting held on November 6, 2024, granted in-principle approval for the potential merger. The merger is to be executed through a Scheme of Amalgamation, requiring sanction by the State Bank of Pakistan (SBP) under Section 48 of the Banking Companies Ordinance, 1962 ("BCO"). The Bank disclosed this decision to PSX on the same day.

Subsequently, UBL and Silkbank convened their Board meetings on December 2 and December 4, 2024, respectively, where both Boards approved the proposed amalgamation through a share swap arrangement under Section 48 of the Banking Companies Ordinance, 1962. They also authorized the execution of the Agreement to Amalgamate, Scheme of Amalgamation, and other relevant documentation required for implementation.

The approved share swap ratio entails the issuance of one (1) new ordinary share of UBL (face value: Rs. 10) for every 325 shares of Silkbank (face value: Rs. 10 each). This will result in the issuance of 27,944,188 ordinary shares of UBL, excluding any right issuance.

To seek shareholder approval, the Extraordinary General Meetings (EOGMs) were scheduled—Silkbank on December 26, 2024, and UBL on December 30, 2024. At these meetings, the shareholders of both banks formally approved the amalgamation, and the decisions were duly disclosed to PSX.

While the shareholders had already approved the proposed merger of Silkbank Limited with and into UBL, compliance with Section 48 of the BCO, necessitated a re-convening of the EOGM to pass the required resolutions. In line with this requirement, the Bank held another EOGM on February 18, 2025, where shareholders reaffirmed their approval by passing the Special Resolution with 99.997% votes in favor.

With shareholder consent secured, the amalgamation now awaits the completion of all requisite legal formalities, along with corporate, regulatory, and third-party approvals. Upon finalization, the Bank's assets, liabilities, and obligations will be integrated into UBL, to be managed and settled as part of the amalgamated entity's normal business operations.

We will continue to keep our shareholders updated as the merger progresses through further announcements.

**Acknowledgement:**

We, once again, take this opportunity to express our deepest gratitude to our customers and business partners for their continued support and trust, and our sincere appreciation to the State Bank of Pakistan for their guidance and cooperation.

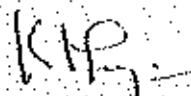

We are also equally thankful to our associates, staff and colleagues for their committed services, and look forward to their continued support.

### **NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS - UNAUDITED FOR THE QUARTER ENDED MARCH 31, 2024**

#### **1 STATUS AND NATURE OF BUSINESS**

- 1.1 Silkbank Limited ("the Bank") was incorporated in Pakistan on April 04, 1994 as a public limited company under the Companies Act, 2017. The Bank commenced commercial operations on May 07, 1995. The Bank's shares are quoted on Pakistan Stock Exchange Limited. The Bank is engaged in banking services as described in the Banking Companies Ordinance, 1962. The Bank operates through 105 branches (December 31, 2023: 105 branches) including 23 (December 31, 2023: 23) Islamic banking branches in Pakistan. The Bank's registered office is located at Silkbank Building, 13-L, F-7 Markaz, Islamabad.
- 1.2 Major shareholders of the Bank as on March 31, 2024 are Sinthos Capital (comprising of Mr. Shaukat Tarin, Mr. Sadeq Sayeed and Mr. Azmat Tarin), Anif Habib Corporation Limited, International Finance Corporation (IFC), Nomura European Investment Limited, Bank Muscat S.A.O.G and Mr. Zulqarnain Nawaz Chatta / Mr. Zubair Nawaz Chatta of Gourmet Group.
- 1.3 In October 2020, the short-term and long-term credit ratings of 'A-2' and 'A-' respectively was assigned to the Bank by VIS Credit Rating Company Limited ("VIS") based on the Bank's condensed interim financial statements for the period ended June 30, 2020. Thereafter, no credit ratings have been issued and the VIS shall review the ratings once these and other subsequent financial statements are issued.
- 1.4 As at March 31, 2024, the equity of the Bank is negative Rs. 30.62 billion excluding surplus on revaluation of assets. This includes share capital (net of losses and discount on shares) of negative Rs. 31.44 billion against the Minimum Capital Requirement (MCR) of Rs. 10 billion as prescribed by State Bank of Pakistan (SBP). Further, the Capital Adequacy Ratio (CAR) of the Bank is negative 97.75% (December 31, 2023: negative 88.05%) as against the minimum CAR requirement of SBP of 11.50% (December 31, 2023: 11.50%). Consequently, the Bank is non-compliant with MCR and CAR at March 31, 2024 which resulted in various reduced prudential limits and may expose the Bank to regulatory actions under the Banking laws. These material uncertainties and conditions may cast significant doubts on the Bank's ability to continue as a going concern.
- 1.4.1 On October 31, 2024, United Bank Limited (UBL), after completion of detailed due diligence of the Bank, has submitted an offer to the Bank for its amalgamation with UBL pursuant to a scheme of amalgamation to be filed with and sanctioned by the SBP under section 48 of the Banking Companies Ordinance, 1962 (Amalgamation). As consideration of the Amalgamation, UBL has proposed to issue and allot new UBL ordinary shares to the shareholders of the Bank on the basis of a ratio of one (1) new UBL ordinary shares of every three hundred and twenty five (325) of the Bank's ordinary shares. The Board of Directors of the Bank, in its meeting held on November 06, 2024, accorded its in-principle approval for the Amalgamation.

Later, UBL's and the Bank's Board of Directors in their separate meetings held on December 02, 2024 and December 04, 2024 respectively, have approved:

- The amalgamation of the Bank with and into UBL through a share swap arrangement in accordance with section 48 of the Banking Companies Ordinance, 1962;
- Execution of the Amalgamation Agreement, Scheme of Amalgamation and other ancillary documentation in connection with the Amalgamation;
- The swap ratio of one (1) new ordinary share of UBL having face value of PKR 10/- (Pakistan Rupee Ten Only) in exchange of three hundred and twenty five (325) already issued shares of the Bank, each share having a face value of PKR 10/- (Pakistan Rupee Ten Only), resulting in the issuance of 27,944,188 ordinary shares of UBL, other than by way of right issue; and
- Convening of Extraordinary General Meeting (EOGM) of UBL on December 30, 2024 and of the Bank on December 26, 2024 for consideration and approval of the Amalgamation and above-mentioned matters by the respective shareholders of UBL and the Bank.

Subsequent to the meetings, the Amalgamation Agreement has been executed on December 06, 2024.

On December 18, 2024, a suit was filed in the Honorable Sindh High Court and the Court passed an ad-interim imposing restrictions on certain shareholders from acting on the instructions of certain other shareholders, however, no order was passed against the Bank or the holding of the Extraordinary General Meeting (EOGM). The litigation is still pending to date before the Court.

Subsequently, on the given dates the shareholders of the UBL and the Bank have approved the Amalgamation as per the Scheme of Amalgamation approved by the respective Boards of Directors. However, in order to comply with certain requirements of section 48 of the Banking Companies Ordinance, 1962, the Bank has reconvened its EOGM on February 18, 2025, wherein all the resolutions with respect to Amalgamation have again been passed. Further, the Competition Commission of Pakistan has granted its approval on the Amalgamation on February 25, 2025.

The Amalgamation shall remain subject to all requisite regulatory approvals and completion of legal formalities including sanction of scheme of Amalgamation by SBP.

Upon completion of the Amalgamation, the Bank's assets, liabilities and obligations shall be merged with and into UBL and be realized and settled in ordinary course of business by the amalgamated entity.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

- 3.2 The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. Further, the SECP has deferred the applicability of IFRS 7 'Financial Instruments: Disclosures' on banks through S.R.O. 411(1) / 2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.
- 3.3 The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of IFAS-3 for Profit & Loss Sharing on Deposits (IFAS-3) issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of IFAS-3 for Profit & Loss Sharing on Deposits issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). The disclosures requirements for Islamic Banking Business relating to annual and quarterly financial statements have been based on a format prescribed by SBP vide BPRD Circular Letter No. 02 dated 09 February 2023.
- 3.4 The SBP vide BPRD Circular No. 02 of 2023 dated February 09, 2023 has amended the format of interim / annual financial statements of banks. All banks are required to prepare their interim / annual financial statements on the revised format effective from the accounting year ending January 01, 2024. Accordingly, the Bank has prepared these condensed interim financial statements on the new format prescribed by the SBP.

The adoption of new format required certain recognition requirements, reclassification of comparative information and also introduced additional disclosure requirements. The adoption of revised format has resulted in following material changes (due to which the corresponding presentations have also been changed):

- Right-of-use-assets (note 14) amounting to Rs. 1,841.93 million (2023: Rs. 1,924.14 million) which were previously shown as part of property and equipment are now shown separately on the condensed interim statement of financial position.
- Lease liabilities (note 22) amounting to Rs. 2,302.87 million (2023: Rs. 2,369.11 million) which were previously shown as part of other liabilities are now shown separately on the condensed interim statement of financial position.

- 3.5 The disclosures made in these condensed interim financial statements are limited based on the format prescribed by the SBP vide BPRD circular letter No. 02 dated February 09, 2023 and International Accounting Standard (IAS) 34, 'Interim Financial Reporting' and do not include all the information required in the annual financial statements. Accordingly, these condensed interim financial statements should be read in conjunction with the annual financial statements of the Bank for the year ended December 31, 2023.
- 3.6 As disclosed in note 3.5 to these condensed interim financial statements, the format prescribed by SBP includes certain additional disclosures, including those related to International Financial Reporting Standard (IFRS) 9 – Financial Instruments. As disclosed in note 5.2, the Bank has deferred the applicability and related disclosures of IFRS 9 'Financial Instruments' based on specific permission granted by the SBP. Accordingly, these condensed interim financial statements have been prepared on the revised reporting format except to the disclosures related to IFRS 9 'Financial Instruments'.

#### 4 BASIS OF MEASUREMENT

These condensed interim financial statements have been prepared under the historical cost convention, except that certain property and equipment and non-banking assets acquired under satisfaction of claims are stated at revalued amounts less accumulated depreciation and accumulated impairment losses (where applicable) and certain investments and derivative financial instruments have been measured at fair value which net obligations in respect of defined benefit scheme and lease liability against right-of-use assets which are carried at their present values.

These condensed interim financial statements have been prepared in Pakistani Rupee which is the functional and presentation currency of the Bank. The amounts are rounded off to the nearest thousand rupee, unless otherwise stated.

## **5 MATERIAL ACCOUNTING POLICY INFORMATION**

The significant accounting policies and methods of computation adopted for the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the annual financial statements of the Bank for the year ended December 31, 2023.

### **5.1 Standards, interpretations of and amendments to accounting and reporting standards that are effective in the year 2024**

As referred to in note 4.3 to the Bank's annual financial statements for the year ended December 31, 2023, there are certain standards, amendments and interpretations that are effective for the annual period beginning on or after January 01, 2024. These are considered either not to be relevant or not to have any significant impact on the Bank's condensed interim financial statements.

### **5.2 Standards, interpretations of and amendments to accounting and reporting standards that are not yet implemented**

#### **- IFRS 9 - 'Financial Instruments'**

IFRS 9: 'Financial Instruments' addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL has impact on all assets of the Bank which are exposed to credit risk.

The IFRS 9 is applicable on Banks for the financial period starting from January 01, 2024 as per the pronouncement made by SBP vide its SPRD Circular Letter No. 07 dated April 13, 2023. However, the SBP has granted an exemption to the Bank from the requirements of IFRS 9 'Financial Instruments' till the completion of the merger process with the UBL.

There are certain new and amended standards and interpretations as referred to in note 4.3 to the Bank's annual financial statements for the year ended December 31, 2023, that are mandatory for the Bank's accounting periods beginning on or after January 01, 2024 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not disclosed in these condensed interim financial statements.

**6 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS**

The basis and methods used for critical accounting estimates and judgments adopted in these condensed interim financial information are same as those applied in the preparation of the annual financial statements of the Bank for the year ended December 31, 2023.

**7 FINANCIAL RISK MANAGEMENT**

The Bank's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements for the year ended December 31, 2023.

The Bank's activities are exposed to a variety of financial risks i.e. market risk, credit risks and liquidity risks. The condensed interim financial statements do not include all risk management information and are disclosed in the annual financial statements, thus should be read in conjunction with the annual financial statements for the year ended December 31, 2023.

There have been no material changes to our policies and practices regarding risk management and governance as described in annual financial statements for the year ended December 31, 2023 except for certain additions in the criteria to address significant risks emanating from the retail portfolio to ensure that relevant indicators relating to likelihood of default, are being captured in a timely manner under the current situation.

Pursuant to the terms of the Agreement, the Bank received a down payment of Rs. 118.50 million, which is currently reported in 'other liabilities' (note 24). The remaining balance was required to be paid by the buyer within 5 years from the date of the Agreement. **17.1 Market value of Non-banking assets acquired in satisfaction of claims**

17.2 The non-banking assets acquired in satisfaction of claims (NBAs) aggregating to Rs. 1,802 million (December 31, 2023: Rs. 1,802 million) are currently un-developed and have been evaluated based on the valuation reports from the valuers on Pakistan Bank Association list of approved valuers. The Bank exposure exceeds the prescribed limit of 2.5% of aggregate advances and investments (excluding investment in Government securities) as prescribed by SBP under regulation Debt Property Swap.

17.3 The Contract assets represent the variable consideration, receivable to the Bank from SIDR, against the land transferred to it in 2021, which was previously held as Non-banking assets. Such transfer of land was made under the REIT arrangement to which certain mortgaged land of Respective borrowers as detailed in Note 12.3.1 was also released. The management has assessed the expected value of these Contract assets as Nil, as significant time has been lapsed in launch of SIDR's project which have multiple implications on achieving the project's required profitability level and payouts to SIDR unit holders.

17.4 REIT units of SWIR having par value equivalent to Rs. 910 million had been issued in consideration to the land transferred to SWIR (previously held as Non-banking assets) under REIT arrangement to which certain mortgaged land of Respective borrowers was also released (Note 12.3.1). Such REIT units are held as Investments (Note 11). The Bank is expected to realize dividends over the REIT units held during the tenure and liquidation proceeds at the culmination of the respective REIT.

Later on, the same rating was harmonized by VIS according to their revised methodology and assigned rating at 'B' (Single B) with a 'Rating Watch-Negative' status on June 16, 2023. The VIS shall review the ratings once these and other subsequent financial statements are issued.
Security	The instrument is unsecured and subordinated as to payment of principal and profit to all other indebtedness of the Bank, including deposits.
Profit payment frequency	Profit will be payable semi-annually in arrears on the outstanding principal amount and will be calculated on a 365 day year basis.

Lock-in-clause	As per the lock-in requirement for Tier II issues, neither profit nor principal will be payable (even at maturity) in respect of the TFC, if such payment will result in a shortfall in the Bank's Minimum Capital Requirement (MCR) or Capital Adequacy Ratio (CAR) or results in an increase in any existing shortfall in MCR or CAR.
Loss absorbency clause	The instrument will be subject to loss absorbency and / or any other requirements under SBP's Basel III Capital Rules. Upon the occurrence of a point of non-viability event as defined by SBP's Basel III Capital Rule, the SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the Outstanding Face Value of the TFCs divided by fair value per share of the Bank's common equity on the date of trigger of the non-viability event as declared by the SBP, subject to a cap of 1,298,390,093 shares.

**23.2** Due to the lock-in-clause as mentioned in note 23.1 and as per SBP instructions, the Bank has received an unsecured and interest free subordinated loan from the sponsor in order to make the payment of the installments including profit thereon in respect of the above mentioned TFC's. ### 39. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices. Fair value of unquoted equity investments other than investments in associates is determined on the basis of break up values of these investments as per the latest available audited financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments.

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the period.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or in the case of customer loans and deposits are frequently re-priced.

#### 39.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:
